- The grievances shall be collected through boxes placed in the campus.
- An online system for raising the grievances is available in the college website. Students can submit their grievances through this portal.

- The committee investigates the reasons of Grievance.
- Grievance and Redressal committee works separately in three layers to solve particular and specific problems. Following are the three working layers of it:
 1. General Grievance Redressal Committee --- to redress the general issues of students and staff members.
 2. Prevention to Sexual Harassment Committee --to prohibit any kind of discrimination, harassment, sexual-assault or other against women of the College.
 3. Anti-Ragging Committee --- to prevent ragging within and outside the campus and redress ragging related issues.

4. Mechanism of Governance:

Principal of the College controls and supervise works of all the three committees to redress the grievance. There is a provision to forward serious grievances to highest authority like Governing body of the College. Small and common issues are sorted out at the committee level only.

The Committee shall meet at least twice in an academic year but in emergency condition it can meet any times. The committees are required to maintain the record sincerely in the form of notice, agenda, minutes, and action taken, etc.

Note: While this platform allows to voice the concerns in an open manner it is imperative that the complainant exercises due diligence and care in deciding what he/she would qualify as a grievance that is serious enough to deserve the attention of this committee comprising of senior faculty of the institution.

ADD-ON COURSES**

1. INTRODUCTION

In the contemporary world, heightened competition underscores the need for creativity and initiative in tackling new challenges. The rapid pace of technological advancements renders many programs offered by higher educational institutions obsolete. Given this reality, no curriculum can comprehensively cover all relevant topics. Consequently, institutions of higher education must continually enhance, enrich, and expand their curricula to better prepare students for the dynamic demands of industry, aligning with their individual interests and capabilities.

Joya Gogoi College extends valuable opportunities for college students, as well as other students, to engage in a diverse range of value-added courses. Participating in these courses allows students to distinguish themselves from other job applicants and augment the value of their resumes. Simultaneously, certain courses aim to foster societal values in young minds, cultivating well-rounded and dedicated citizens.

2. SCOPE

- Enhancing students' employability skills.
- To provide students the chance to cultivate interdisciplinary skills.
- To foster a positive social awareness and in still a commitment to society in students.
- Providing students with a range of learning and capacity-building opportunities for choice and flexibility.

3. POLICY ON ADD-ON COURSES

- The institution's objective should encompass providing a diverse range of options through add-on courses. A comprehensive list of potential courses must be regularly prepared and updated, aligning with stakeholder needs and job market demands.
- Departments and cells intending to introduce new add-on courses should conduct need assessments through consultation and trend observation with relevant stakeholders. The decision to introduce a new course or continue an existing one for a specific academic year should be finalized, and necessary permissions must be sought from the relevant authorities before commencement.

- To acquire necessary permissions, the concerned departments and cells should prepare a detailed syllabus for the proposed course. Formal proposals for these courses, along with relevant documents, should be presented for approval before the Academic Council, IQAC, and ultimately the Principal.
- The institution's add-on courses should aim to develop values, ethics, employability, and/or life skills among students. These courses should differ from other formal courses offered in the regular curriculum of the affiliating university and can be presented as certificate or diploma courses.
- Each course should have a minimum duration of 30 hours, including actual classroom teaching and/or fieldwork. The scheduling of any add-on course should be approved by the IQAC, with the option of conducting classes during weekends. Classroom and time allotments should align with the existing academic timetable.
- Enrollment in add-on courses is open to students from the college and interested external participants. Departments/cells have the autonomy to decide on the mode of evaluation for awarding course completion certificates.
- Existing students of the college opting for add-on courses will not be charged admission fees. The department and/or cell running an add-on course may determine the admission fees for external students. Each course will have a coordinator responsible for overseeing its conduct. In cases where courses are jointly/collaboratively run, there will be coordinators from each participating department/cell.
- A department/cell may conduct a maximum of 2 add-on courses during one academic year. Any grievances related to add-on courses should be initially addressed by the coordinator and, if unresolved, brought to the institutional-level grievance cell.

E WASTE MANAGEMENT

1. INTRODUCTION:

E-WASTE means waste electrical and electronic equipment whole or in parts or in rejects from their manufacturing and repair processes, which are intended to be discarded. With the increasing dependence on ICT based teaching learning, the amount of e waste is increasing proportionately. Joya Gogoi College Management has the total commitment to the environment and sustainability with regards to the disposal of unwanted and /or end of life products or its parts. This policy provides an overview on collection and disposal of the above-mentioned e-waste within the purview of Joya Gogoi College as per the e-waste Management and Handling rules 2011 which have become law and applicable to the state of India from 01st May 2012.

2. SCOPE OF THE POLICY:

This policy applies to all electrical and electronic equipment whole or in parts, that are in use for the academic and administrative activities of the college and the stake holders associated with these verticals.

3. OBJECTIVES OF THE POLICY:

- Protection of the environment is the key to the policy of e waste disposal. Wherever possible, all functional electronic equipment such as computer and printers should be redeployed to identified users with or without up gradation.

- Only designated areas shall be used for identifying and keeping these materials and mixing it with household scrap or household waste must be avoided.
- Empty toners, cartridges, out dated computers are to be sold as scrap to authorized service provider to ensure their safe recycling.
- Computers and other electronic gadgets are to be regularly updated to continue usage and avoid its wastage.
- Give wide publicity to the e-waste policy using internal e- communication such as chat groups, whatsapp group as well as emails.
- It is paramount to protect all information in embedded, encrypted, stored or written form available in/on the storage devices before its disposal.

ENERGY SAVINGS MEASURE

1. INTRODUCTION:

Energy is a major expense for most colleges and educational institutes, with the main costs coming from the cooling and lighting of buildings. Energy also has a considerable carbon cost to the environment which contributes to climate change and global warming. Therefore, it is a critical time to act in an environmentally friendly way and develop sustainable policies for energy production and energy usage. Joya Gogoi College has the full commitment to managing its energy supply and usage in as cost-efficient a way as possible. This policy may be termed as 'Policy on energy savings measure of Joya Gogoi College'.

2. SCOPE:

The policy covers all the electrical or mechanical equipment/utilities which requires energy as input.

3. THE POLICY:

- To use only LED bulbs for interior lighting of the college building by the end of 2024 in a phased manner.
- To use Solar Panels for lighting of the college premises.
- Sensor lights will be used to reduce energy consumption.
- Energy audit is mandatory for the college.
- Energy conservation practices and eco-friendly habits are to be inculcated among students and staff through proper counselling.

o Save energy tips to be followed as mentioned below:

1. Activate low power “sleep” mode when the students and staff are not working on the computers.
2. As soon as the work is over, turn off the monitor.
3. Prefer Shut Down to Log Off whenever possible.
4. Keep lights off in conference halls, classrooms, seminar halls when they are not in use.
5. Use the fans only when they are needed.
6. Turn off unnecessary lights and use daylight instead.

BAN OF SINGLE USED PLASTIC

1. INTRODUCTION:

The Plastic Waste Management Rules, 2016, prescribed ban on identified single use plastic items. The following identified single use plastic items, which have low utility and high littering potential: Ear buds with plastic sticks, plastic sticks for balloons, plastic flags, candy sticks, ice- cream sticks, polystyrene [Thermocol] for decoration; Plates, cups, glasses, cutlery such as forks, spoons, knives, straw, trays, wrapping or packing films around sweet boxes, invitation cards, and cigarette packets, plastic or PVC banners less than 100 micron, stirrers. The single used plastic is a major concern for environment and ecological balance. Keeping in mind the harm that caused by single use plastic, Joya Gogoi College has the total commitment to ban the use of single use plastic in college premises and its neighbourhood to promote a cleaner and greener environment. This commitment is termed as POLICY ON BAN OF SINGLE USED PLASTIC

2. OBJECTIVES OF THE POLICY:

- To ban the use of one-time water bottle and plastic plates in the college.
- Students/faculty/staffs are encouraged to use cloth bags.
- Use of compostable plates and cups made from biodegradable materials such as cornstarch, sugarcane, or bamboo.
- To use glass bottles as a safe and sustainable alternative to plastic bottles in conferences/workshops/celebration of commemorative days etc. in the college.

- Use of digital banner and digital placards instead of one-time banners.
- Conduct awareness programs, street plays and workshops on the harmful impact of single used plastic.

This policy intends to help Joya Gogoi College to achieve plastic free campus. It is not meant to be exhaustive but to provide directions and tips to practices towards cleaner and plastic free campus.
