Subject: Heartfelt Appreciation for Embroidery Cutting and Tailoring Workshop

Respected Principal of Joya Gogoi College,

I am writing to express my sincere gratitude for the wonderful embroidery workshop you conducted at our school. The impact of your expertise and dedication was truly evident in the skill development of our students.

Your ability to engage and inspire the students during the one-day session was commendable. The hands-on experience they gained not only enhanced their creativity but also instilled a sense of appreciation for the art of embroidery.

We are truly fortunate to have had your institution share its knowledge with our students. The workshop not only enriched their skills but also left a lasting impression on their overall educational experience.

Thank you once again for your valuable contribution. We look forward to the possibility of future collaborations and continued learning opportunities for our students.

Sincerely,

Urmil Kumar
