### A brief report

The main objectives of this workshop was:

- To transfer the knowledge among all the students.
- To create innovative environment among the students.
- Encourage the students to develop best practices which can contribute to the benefit to the society.

This workshop was inaugurated by Dr. Amiya Kr. Das, Principal, Joya Gogoi College. Dr. Pinky Saikia, Assistant Professor & HoD, Department of Chemistry delivered the objectives of the workshop. The students and the faculty of the Department of Chemistry prepared the hand sanitizer by using the following reagents-

- i. Absolute Ethanol (99.99% pure)
- ii. Glycerol
- iii. Aloe vera gel
- iv. Food colour
- v. Perfume

Dr. Subrat Jyoti Borah, Assistant Professor, Department of Chemistry described the procedure and the composition of the reagents used for the preparation of the hand sanitizer. In this workshop about 1 litre of the hand sanitizer was prepared and about 100 nos. of bottles were prepared. These hand sanitizer bottles were then sold amongst the faculty and students of the college with a minimum cost of 50/- per faculty and 30/- per students. As a part of best practice it was decided that the Department of Chemistry will prepare the hand sanitizer as per requirement.
