PRINCIPAL'S MESSAGE

At the very outset, I on behalf of the college family hearty welcome all the students who are going to take admission into the various programmes of Joya Gogoi College, Khumtai. Our country has already implemented NEP 2020, where the course has been structured in the best possible way for the betterment of students. I wish, the generous sharing and cooperation from all the stakeholders of this institution to make Joya Gogoi College as an educational hub in this rural locality, district and state as a whole. In this context, I take the opportunity to write a few words towards introducing the college.

We are always keen to well acknowledge the contributions of Late Jiba Kanta Gogoi, his loving family and some other distinguished persons of greater Khumtai locality. The great soul late Jiba Kanta Gogoi, the then Finance Minister of Assam was the pioneer donor and contributor of the college who helped in taking shape of the college in a diverse way.

Joya Gogoi College is a premier higher education institution located at Khumtai, in Golaghat district, having rich cultural heritage and glorious educational background. The college has celebrated its Silver Jubilee in the year 2016. Since its very inception from 1991, the college has been imparting quality education, mostly to the rural socio-economic weak students of Khumtai & adjoining areas. However, to satisfy the multifaceted educational needs of rural students, the college has been organising different short term career programmes. In recent years, the community development programmes and extension activities of this college earned a new momentum, only because of the faculties and staff members' sincere devotion to their respective duties.
